Keep Track of Your Child's School Life with Our Services

Services We Provide

• Purpose of this service:

Our WhatsApp/Email service allows parents to stay up-to-date with their child's school life.

Requirements:

It should able to send the given information via WhatsApp or Email without putting any extra effort on teachers.

Benefits of using this service:

Parents can easily receive their child's monthly schedule such as holidays, class tests, submission, exam timetables, results, payment of school fees and many more. The message can be personalized according to your needs for particular set of students if needed.

It also eliminates the problem of students not informing their parents about important meetings, exams, holidays, etc., which can have negative impact on their academic performance.

About Us

• Who we are and what we do:

We are a team of professionals that provide WhatsApp/Email services to schools and colleges to help parents stay updated on their child's school life.

How we work with Schools/Colleges:

You don't have to do anything other than what your already doing. We just need an Excel file with the student basic information.

Secure and Safe:

Our services are secure and safe, ensuring that all data is kept confidential and secure. The messages are sent directly to the parents, so they can be sure that the information they receive is accurate and reliable.
